

2017 Accord

HONDA

You're in a good place now.
You've made it. You've found the career you love, and have the people in your life who hold it all together. You find any excuse to explore the concrete jungle, and on weekends you treat country roads like your own backyard. You've travelled long and far to end up where you are, but your adventures are just beginning. Your journey to new friends, new memories and new experiences starts here.

• FAMILY POLITICS

• ACTUAL POLITICS

You don't settle. Neither did we.

The Accord, like its drivers, embraces change. We don't just think about putting our drivers behind the wheel. We think about putting them behind dynamic performance with an athletic exterior. Once you're buckled in, you'll be surrounded in comfort, luxury and some of the latest tech features like Apple CarPlay™^{1,2} and Android Auto.^{TM1,2} When you're ready for more, the Accord is ready for you.

1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.
2. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

All dressed up with everywhere to go.

Whether you're driving or arriving, you'll have to get used to all the stares thanks to the bold styling on the Accord Sedan. The chrome grille and available chrome door handles add yet another touch of luxury to complement the handsome exterior. The LED daytime running headlights and LED taillights complete its look and make you feel the centre of attention on the road. Underneath its body, the available 19" aluminum-alloy wheels add another element of style that'll make everyone's head spin. If you crave more, the Accord Sport trim is nothing short of exhilarating. The aluminum-trimmed sport pedals, body-coloured side sill garnish, leather/fabric combi seating surfaces, interior carbon fibre finish accents and dual exhaust with chrome finishes will make you forget you've got somewhere to be.

Key Features: Available one-touch power moonroof | Available LED headlights and LED fog lights | Available mirror-integrated LED turn signal indicators

● 12 PM SMOKED MEAT

● 8 AM BAGELS

● 2 AM 2 CHOW

• LOSE YOURSELF HIKING

• ACTUALLY LOSE YOURSELF

• FIND YOUR FAVOURITE VIEW

Two doors. Endless fun.

You'll love looking at the Accord Coupe as much as you love driving it. The dark chrome grille and chrome door handles complement its sleek, sporty design, while its LED daytime running lights give it a gleaming look. Beneath its tough shell sit available 19" aluminum-alloy wheels that will help you sit pretty. Around back, the rear deck lid spoiler elevates its look while you elevate your drive. Once you're buckled in and are ready to make your move, hit a button and open up the one-touch power moonroof with tilt feature to catch some rays. You'll love getting there as much as arriving.

Key Features: Standard LED daytime running lights | Standard fog lights and taillights | Standard rear deck lid spoiler | Available LED headlights

● CATCH THE FERRY

96

● CATCH SOME RAYS

No surprise,
it loves green lights.

The Accord Hybrid feels nothing like a hybrid. With the blue accent grill, aero-design wheels and its sporty, unique styling, it will help you stand out from the crowd. Don't let the word hybrid fool you, you'll have no trouble powering through your day with the fun-to-drive 2.0-litre, four-cylinder engine with three-mode drive system (EV drive, Hybrid drive and Engine drive). Not only is it designed to be environmentally responsible and fuel-efficient, but Honda Sensing™ Technologies (standard on every hybrid trim) help it pay attention to the world unfolding around it.

● WATCH THE SUNRISE

312

● STOP FOR LUNCH

● STAY FOR SUNSET

Step inside your comfort zone.

Inside, the only downside is having to get out. From your lookout, your eyes will take in the view, while your body will enjoy the heated front seats and your passengers won't stop raving about the available heated rear seats. If you enjoy the finer things, you'll love available leather-trimmed seating surfaces. They'll add yet another touch of luxury to your everyday. Just when you thought you couldn't be wowed even more, the driver's seat with 10-way power adjustment including power lumbar support and available driver's seat position memory knows the way you like it, and keeps it that way. Sure, some like it hot, but others like to stay cool. That's why the dual-zone automatic climate control will let you and your co-pilot settle on the perfect temperature. And once you're ready to hit the road, the available 7-speaker Premium audio system will fill your Accord with warm acoustics as the sun warms your skin. When you're ready to get back on your way, the available proximity key entry system with pushbutton start lets you grab a front door handle to unlock, and push the start button to go. Don't be shy, say hello to luxury.

Compute to work.

1

Available Honda LaneWatch™ blind spot display.

Keep more of your right side in sight with available Honda LaneWatch™ blind spot display¹. It's engineered to send a live video feed from a camera mounted under your passenger-side mirror to your Display Audio System¹, providing close to four times more visibility than a side view mirror alone.

2

Apple CarPlay™/Android Auto.™

Your Accord now has the soul of a smartphone. Teamed up with the Display Audio System¹, Apple CarPlay^{1,2} and Android Auto^{1,2} seamlessly connect your compatible smartphone to let you use some of your apps. It'll make staying in touch with family and friends more convenient and your drive more entertaining.

1

2

3

8" i-MID.

The 8" i-MID (intelligent Multi-Information Display) helps you get to know your Accord better. It'll show you your audio and phone information, as well as any text and email information. Plus, it also displays important vehicle information like trip range and fuel efficiency.

4

Available wireless charging.

Just drop any Qi wireless charging compatible smartphone or accessory case into the available wireless charging pad and the Accord will keep your phone juiced.

3

4

5

Available Honda Satellite-Linked Navigation System™ with bilingual Voice Recognition.

The available Honda Satellite-Linked Navigation System™³ comes with bilingual Voice Recognition, and uses the Display Audio System¹ to plan your route. It's like asking someone for directions who actually knows where they're going.

6

Multi-angle rearview camera.

You now come with eyes on the back of your head, or at least your Accord does. Once you swing it into reverse, a live feed from a rear camera¹ is shown right on the Display Audio System¹. What's behind you is no longer a mystery.

5

6

1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

2. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

3. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.

Gobbles up the roadway while sipping on fuel.

Think of the Accord as a well-tuned performance piece that really moves you. The available 3.5-litre, 278-hp¹ V6 engine and the 2.4-litre 185-hp¹, 4-cylinder engine (189-hp¹ on Sport trim) comfortably house the horses that are always at your beck and call. Add in the available continuously variable transmission (CVT) on the 2.4-litre, 4-cylinder engine and you've got a smooth, yet fun-to-drive ride. Not only is it tough-looking and powerful, it still has a soft side for the world around it thanks to the Eco Assist™ system with ECON mode button, which is designed to help improve fuel efficiency. The road is long, and that's just the way the Accord likes it.

Key Features: Available 6-speed manual transmissions | Available 6-speed automatic transmission (V6 engines) | Variable Cylinder Management® (VCM®) technology on V6 engine (AT only) | Available steering wheel-mounted paddle shifters

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

• CRITIQUE IT OVER DINNER

Like having eyes in the front, back and side.

The Honda Sensing™ technologies are designed to help make your drive safer. With intuitive technology and design, we've created a way forward that we can all feel good about. Whether you're driving or sitting in the passenger seat, feel confident in the latest in safety innovation from Honda.

Forward Collision Warning (FCW) system.

The available FCW system¹ that is integrated with CMBS® is designed to detect the presence of vehicles in front of you and issue alerts if you're approaching with too much speed. If you fail to respond to the alerts, the CMBS® is triggered into operation.

Collision Mitigation Braking System™ (CMBS®).

To help reduce the likelihood or severity of a frontal impact, the available CMBS®¹ is engineered to apply brake pressure if you don't slow down when it senses you're at risk of a collision. If it still senses an imminent collision, CMBS® is designed to brake firmly.

Lane Departure Warning (LDW) system.

The available LDW system¹ is designed to monitor vehicle lane position and alert you if your vehicle drifts into a new lane when you haven't signaled.

Lane Keeping Assist System (LKAS).

The available LKAS¹ is engineered to gently correct your steering if you begin to leave a detected lane without signaling, applying torque progressively to the steering to help guide you back to the centre of the lane.

Road Departure Mitigation (RDM) system.

The available Road Departure Mitigation system¹ is designed to help steer and even apply the brakes to help keep the vehicle from leaving the road.

Adaptive Cruise Control (ACC).

The available ACC system¹ is designed to keep a set speed and set following interval behind the vehicle detected ahead of yours.

Honda Sensing™ suite of safety and driver assist features are only available on automatic transmission vehicles.

1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

ACTIVE SAFETY

Controlled Braking

To assist with safe stopping, the 4-wheel Anti-lock Braking System¹ (ABS) is designed to help you maintain control under hard braking conditions, while Electronic Brake-force Distribution (EBD) helps to optimize braking power based on weight distribution inside the vehicle. In addition, Brake Assist is engineered to help improve braking performance by applying brake pressure when a panic stop is detected.

Vehicle Stability Assist (VSA[®]) with Traction Control

Vehicle Stability Assist¹ with Traction Control is designed to sense and help correct oversteer and understeer scenarios to enhance handling and cornering stability, while Traction Control is designed to minimize wheel spin when accelerating on loose or slippery surfaces, helping to inspire greater driver confidence.

Tire Pressure Monitor System (TPMS)

To promote enhanced safety and fuel efficiency, the Tire Pressure Monitoring System² continually checks the air pressure in each tire. If pressure drops in any tire, the driver receives a dashboard alert.

Solid on safety.

At Honda, we strive to provide a high level of standard safety features to help ensure the safety of occupants, other drivers and even pedestrians. This added peace of mind helps our drivers maintain the confidence to enjoy every road to the fullest.

PASSIVE SAFETY

Advanced Compatibility Engineering™ (ACE™) body structure

The highly innovative, next generation Advanced Compatibility Engineering™ (ACE™) body structure is engineered to help disperse frontal impact energy to enhance occupant protection, while more effectively controlling it in severe collisions to help prevent intrusion into the passenger cabin.

Child safety

The Accord features childproof rear door locks (Sedan only), as well as rear seat Lower Anchors and Tethers for Children (LATCH), which give you a simple and convenient method to install compatible child safety seats without using the vehicle's seat belt system.

Pedestrian safety

Innovative pedestrian safety features include an energy-absorbing hood and front fenders and deformable wiper pivots.

Seat belt safety

The Accord helps prepare you for the unexpected with 3-point height-adjustable (Sedan only) front seat belts with automatic tensioning system and 3-point rear seat belts.

Six standard airbags

The cabin of the Accord contains six standard airbags. It features dual-stage, multiple-threshold front airbags as well as side curtain airbags with rollover sensors, which are designed to deploy the side curtain airbags in the event of a rollover. Plus, it has Smartvent™ side airbags, which are designed to deploy in a manner that mitigates the risk of injury to out-of-position or smaller occupants.

HondaLink™ Assist Automatic Emergency Response System

The HondaLink Assist Automatic Emergency Response System^{1,3,4} helps you get the help you need when you need it most. If the airbags deploy, your Display Audio System¹ is designed to automatically attempt to put you on a call with an operator who will forward your location to first responders if needed. It works with any compatible Bluetooth®-paired phone as long as it has reception, does not require a subscription and gives you added peace of mind while you're on the road.

1. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.
2. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.
3. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.
4. Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.

Blue Skies for Our Children

The Power of Dreams, in all their forms.

At Honda, we're committed to being a leader in innovative thinking. It's part of everything we do, from the design of our vehicles to the way we work. We have a proud tradition of turning ideas into products and initiatives that help move and improve people's lives in every conceivable way. Today, our innovation manifests itself in many forms: our revolutionary Earth Dreams™ technology; the race-inspired performance of our motorcycles and automobiles; the world's most advanced humanoid robot, ASIMO; HondaJet, the fastest, highest flying and most fuel-efficient aircraft in its class; and the first full line of fuel-efficient, low-emission, 4-stroke outboard motors. We continually strive to do things others think can't be done, because true innovation comes from daring to dream.

Beyond dreaming up new products, Honda believes we have a responsibility to help preserve our planet. This belief is why we make significant efforts to help ensure preservation of the environment in virtually all of our company's activities. It's why our head office in Markham, Ontario was designed and built to be LEED® (Leadership in Energy and Environmental Design) Gold Certified. It's why our Alliston, Ontario plant is ISO 14001 certified. And it's why Honda, along with our associates and families, has helped plant more than 100,000 trees in Canada over the last 9 years.

As we move forward, we will continue to honour our responsibility and tradition of turning innovative ideas into products that help make our world a better place. That's what we do. That's The Power of Dreams.

HONDA
The Power of Dreams

We're Here. At Honda, assistance and support are always available. The team of trained technicians at your Honda dealership will help keep your vehicle in terrific shape. If you need more information or assistance relating to your warranty, call us at 1-888-9-HONDA-9. For all of the latest Honda information, including product specifications, pricing, photos and more, visit honda.ca. It has everything you need to "design" your Honda and personalize it with items from a list of quality accessories.

We're Ready to Help. When you purchase a new Honda, you automatically receive Honda Plus Roadside Assistance. This service is available to you, or any authorized driver, 24 hours a day, 7 days a week, anywhere in Canada or the continental United States. Coverage is for 3 years over an unlimited distance and includes a 24-hour toll-free Honda Plus Roadside Assistance number, mechanical breakdown towing, emergency roadside service and many other helpful features. Ask your dealer for more information.

Honda Plus Extended Warranty. Experience added protection with Honda Plus coverage that is behind you for the road ahead. With available coverage options of up to 8 years/200,000 km, you can choose the one that best suits your needs. With a plan this wide-ranging, the only thing that's uncertain is where it will take you.

Honda Financial Services. Whether you buy or lease a Honda, Honda Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.

New Honda Vehicle Warranty. The Honda warranty protection makes Power Train components a minor concern with the Honda 5-year/100,000-km No Nonsense Warranty. In addition to the Honda 5-year/100,000-km No Nonsense Warranty, you and your new Honda are protected by a Honda 3-year/60,000-km Distributor's Warranty as well as an additional series of warranties for such items as emission controls, body corrosion and more.

Genuine Honda Accessories give you the opportunity to fine-tune your new Honda just how you like it. Whether you want to turn up the style, the versatility or the exclusivity, every accessory is designed and built to adhere to the strictest Honda standards. See your dealer for full details.

Genuine Honda Replacement Parts are made to the same exacting standards as original Honda components and are guaranteed by the Genuine Honda Parts Warranty. Using Genuine Honda Parts will help to maintain the quality, reliability and performance of your vehicle.

Always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in a rear seat. Properly secure all items stored in the cargo area. Always read the vehicle owner's manual for detailed vehicle operation and feature information.

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's Owner's Manual.

3. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

4. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

5. Operation requires wireless mobile phone to be paired with the vehicle. Operation is dependent upon cellular data and/or voice connection availability and GPS satellite signal reception.

6. HomeLink[®] can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.).

7. Map database covers major metropolitan areas in Canada and 48 contiguous U.S. states.

8. Coverage varies by market.

9. Only available in certain areas. Includes a no-charge trial of three months.

10. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.

For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>.

- Road Departure Mitigation (RDM) system²
- Adaptive Cruise Control (ACC)²

¹ Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

² None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers or refer to the vehicle's Owner's Manual.

³ Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

⁴ Only available in certain areas. Includes a no-charge trial of three months.

⁵ Map database covers major metropolitan areas in Canada and 48 contiguous U.S. states.

⁶ Coverage varies by market.

⁷ HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.).
